Document No. : IBS-ISMS-ISMC-SECURITY POLICY NOTICE-V1.0
Effective Date : 22/10/2026

POLICY STATEMENT

Impact Business Solutions Sdn. Bhd. (“IBS”) is committed to put in place and proactively manage an Information Security Management System (“ISMS”) which recognizes the Confidentiality, Integrity and Availability in information security are integral parts of its management function.

OBJECTIVES

IBS’s objective for the ISMS is to ensure a comprehensive protection to its information assets against potential confidentiality breaches, failures of integrity and/or interruptions to their availability and to minimize the risk of damage to its information assets by preventing security incidents and reducing their potential impact.

POLICY COMMITMENTS

The information Security Policy (“Policy”) ensures that:

- Information will be protected against any unauthorized access;
- Confidentiality of information will be assured;
- Integrity of information will be maintained;
- Availability of information for business processes will be maintained with minimal disruption;
- Legal or regulatory requirements will be met;
- Business Continuity Plan (“BCP”) is developed, maintained and tested to counteract interruptions to business activities;
- All actual or suspected information security breaches will be reported to the Incident Response Team and will be thoroughly investigated; and
- Continual improvements are implemented by reviewing overall Policy implementation.
